Our Strategy

Capitalise on independence to strengthen our positioning

Focus on diversification in our core businesses of Sales & Trading, Investment Banking and Global Markets

- Maintain focus on clients
- Strengthen our positioning in the SME segment in Italy
- Seize opportunities to increase presence in Investment Banking, especially in M&A and Advisory
- Invest in people in order to grow, and in technology to improve productivity
- Disciplined management of operating expenses

Focus on the Digital Division & Advisory to maximise growth opportunities in the financial advisor/private banking sectors & listed SMEs

Strong capital position to sustain growth

 Exploit growth opportunities (at reasonable valuations) in bolt-on areas (S&T and GM) and in Investment Banking/Digital Division & Advisory

Maintain an efficient balance sheet and balanced risk profile

Focus on shareholder value

High dividend payout and active share buyback policy, supported by strong excess capital

Disclaimer

This document (the "Presentation") has been prepared by Intermonte Partners SIM S.p.A. (the "Company") for information purpose only and, furthermore, it has been drafted without claiming to be exhaustive.

This Presentation may not be reproduced or distributed, in whole or in part, by any person other than the Company.

This Presentation may contain financial information and/or operating data and/or market information regarding business and assets of the Company and its subsidiaries. Certain financial information may not have been audited, reviewed or verified by any independent accounting firm.

THIS PRESENTATION AND ANY RELATED ORAL DISCUSSION DO NOT CONSTITUTE AN OFFER TO THE PUBLIC OR AN INVITATION TO SUBSCRIBE FOR, PURCHASE OR OTHERWISE ACQUIRE ANY FINANCIAL PRODUCTS, AS DEFINED UNDER ARTICLE 1, PARAGRAPH 1, LETTER (T) OF LEGISLATIVE DECREE NO. 58 OF 24 FEBRUARY 1998, AS AMENDED. Therefore, this document is not an advertisement and in no way constitutes a proposal to execute a contract, an offer or invitation to purchase, subscribe or sell for any securities and neither it or any part of it shall form the basis of or be relied upon in connection with any contract or commitment or investments decision whatsoever. Any decision to purchase, subscribe or sell for securities will have to be made independently of this Presentation. Therefore, nothing in this Presentation shall create any binding obligation or liability on the Company and its affiliates and any of their advisors or representatives.

Likewise, this Presentation is not for distribution in, nor does it constitute an offer of securities for sale in the United States of America, Canada, Australia, Japan or any jurisdiction where such distribution is unlawful, (as such term is defined in Regulation S under the United States Securities Act of 1933, as amended (the "Securities Act"). Neither this Presentation nor any copy of it may be taken or transmitted into the United States of America, its territories or possessions, or distributed, directly or indirectly, in the United States of America, its territories or possessions or to any US person. Any failure to comply with this restriction may constitute a violation of United States securities laws.

No representation or warranty, express or implied, is or will be given by the Company as to the accuracy, completeness or fairness of any Information provided and, so far as is permitted by law and except in the case of fraud by the party concerned, no responsibility or liability whatsoever is accepted for the accuracy or sufficiency thereof or for errors, omissions or misstatements, negligent or otherwise, relating thereto. In particular, but without limitation, no representation or warranty, express or implied, is or will be given as to the achievement or reasonableness of, and no reliance may be placed for any purpose on the accuracy or completeness of, any estimates, targets, projections or forecasts and nothing in these materials should be relied upon as a promise or representation as to the future.

The information and opinions contained in this document are provided as at the date hereof and are subject to change without notice. The recipient will be solely responsible for conducting its own assessment of the information set out in the Presentation. Neither the Company and its affiliates, nor any of their advisors or representatives shall be obliged to furnish or to update any information or to notify or to correct any inaccuracies in any information. Neither the Company and its affiliates, nor any of their advisors or representatives shall have any liability to the recipient or to any of its representatives as a result of the use of or reliance upon the information contained in this document.

Certain Information may contain forward-looking statements which involve risks and uncertainties and are subject to change. In some cases, these forward-looking statements can be identified by the use of words such as "believe", "anticipate", "estimate", "target", "potential", "expect", "intend", "predict", "project", "could", "should", "may", "will", "plan", "aim", "seek" and similar expressions. The forecasts and forward-looking statements included in this document are necessarily based upon a number of assumptions and estimates that are inherently subject to significant business, operational, economic and competitive uncertainties and contingencies as well as assumptions with respect to future business decisions that are subject to change. By their nature, forward-looking statements involve known and unknown risks and uncertainties, because they relate to events, and depend on circumstances, that may or may not occur in the future. Furthermore, actual results may differ materially from those contained in any forward-looking statement due to a number of significant risks and future events which are outside of the Company's control and cannot be estimated in advance, such as the future economic environment and the actions of competitors and others involved on the market. These forward-looking statements speak only as at the date of this Presentation. The Company cautions you that forward looking-statements are not guarantees of future performance and that its actual financial position, business strategy, plans and objectives of management for future operations may differ materially from those made in or suggested by the forward-looking statements contained in this Presentation. In addition, even if the Company's financial position, business strategy, plans and objectives of management for future operations are consistent with the forward-looking statements contained in this Presentation, those results or developments may not be indicative of results or developments in future periods. The Company expressly disc
